Senior Class

We are the Seniors of 1952. To us, we are the most important class that ever graduated from high school, Yet we know that we who were indispensible to the school will be nothing but a memory, pictures in an old annual, statistics in a score book. Younger classes advance to replace us, and we are gone.

The Senior Class will scatter like uncertain leaves in the gusty wind of life. We will be on our own in an adult world. Classmates may enter politics, science, economics, journalism—the world is waiting and we go forth to conquer it. Although we leave Lincoln, the home of the red and black has a special place for us. We can never forget our high school days—the crowded halls, laughing voices and unfinished homework. Our many friends and teachers, air-raid drills, assemblies and pep rallies, eating lunch on the front lawn when the days were sunny—this is Lincoln High School to us who are about to leave. We cannot forget singing "The Star-Spangled Banner" in the darkness at Memorial Stadium and our Alma Mater at the close of each game whether the Lynx were victorious or went down to a valiant defeat.

We are proud to be graduates of Lincoln High School—a great school with traditions and ideals worthy of America. The world is ours, and we are ready to play our part in shaping its destiny.

Junior Class

It was September of 1949 that the first members of the class of '53 ventured into the halls of Lincoln. The fall of '50 brought the rest of our class, the Hamiltonians. We gave a talent show for the freshmen and served at the Junior Breakfast.

Our activities really began this year. We started off with a Football Jamboree Dance in September. Then the Junior Red Cross Drive which brought in the highest goal reached in the last three years. We served and decorated for the Senior Banquet. At Christmas we sponsored a Serviceman's Christmas box drive. Junior Day was May 23 in the theme of the Old South with a P.T.A. Mixer that evening. Serving the Seniors at Commencement closed a busy school year. It has been a wonderfully successful year, but the best is yet to come.

To most of the future class of '54, this was the first year at Lincoln. Immigrating from Hamilton and Jane Adams, we soon became acquainted, and in October we chose our class leaders: Bob Romstead, president; Pete Mansfield, vice president; Joanne Price, secretary; Sally Wood, student council; and Marilyn Daniels, totem reporter.

Now that we were organized, things began moving. In March, we had our Sophomore Assembly, featuring our own talent. Boy were we good. Later we found a worthy cause and served at the Junior Breakfast.

This year has been a great beginning to our careers at Lincoln. We hope that the remaining two will be as fine.

1951 Football

Reviewing the 1951 Football season, the Franklin game was the all-important one for both teams. Each one could have had a crack at the championship, but after four tremendous quarters and a muddy field the final score was 0-0.

The Lynx started the season with a sluggish 8-0 win over a hard-fighting but undermanned Cleveland team. Meeting Queen Anne, who had previously tied Garfield, a real feat then, the Railsplitters rolled over them 33-7 in a game predicted to be close. The Lynx could do no wrong!

West Seattle—the Lynx could do no right! As the game progressed it was apparent that an upset was in store for Lincoln, when the Indians pushed back the Lynx with a two-touchdown splurge in the second half after Lincoln scored once in the first two quarters. Final score, 13-6 West Seattle.

Following two years of being knocked around by Coach Hull & Co., the Railsplitters boomed them with revenge! Lynx 46, Teddies 6. Garfield, the pre-season favorite, with only a tie with Queen Anne to their credit, were smothered 27-7 in a fine game by the Lynx.

After the Franklin tie which has been mentioned, all the pressure was on Lincoln and Ballard with a possible second place tie or fourth place at stake were really up to par for the contest and played a great game, but Ballard after having the pressure on them all year didn't falter and successfully checked the Lynx attack. Striking through the air for their two touchdowns and most of their yardage, the Beavers overwhelmed the Nollanmen, but not by much. Only by a hard fought game and after having a touchdown scored on them for the first time all year, did the Beavers finally win 13-6.

Leading ground-gainer in the city high school league at the close of the season was Howie Hamblin. Bob Herring, junior, ended in third place after a terrific year as half-back for the Abes and we're looking to him for an even greater showing next football season. Selected for the All-city offensive team were three Lincoln players: Howie Hamblin, half-back; Jim Welch, tackle; and Jerry Brockey, guard. Brockey and Welch were also placed in the defensive line-up with team mates Bob Herring and Bob Ganzini.

Because of his inspiring leadership qualities, three-year letterman Bob Ganzini was awarded the Football Inspirational Trophy for 1951.

SECOND TEAM FOOTBALL

The championship second team, coached by Byng Nixon, had a season's record of five wins, no losses and one tie, that being a 13 to 13 draw with the Garfield Bulldogs. These boys won the championship because they had the fight, the spirit and the will to win.

The second team provides more seasoning for players not quite able to make the Varsity and also supplies them with reserve strength which the Varsity could not do without.

THIRD TEAM FOOTBALL

The third team football squad coached by Norm Dalthorp, showed a good running game in finishing in a tie for second place with a seasons record of four wins, one loss and one tie.

The primary purpose of the third team is to give Sophomore boys their first inter-high experience and to get the boys to play as a team. When the Varsity and second teams come through with championships it is partially due to the coaching they have had on the third team.

1952 Basketball

One of the smallest and most hustling ballclubs in Lincoln's history finished the 1952 season in sixth place after playing their hearts out in every one of the exciting twelve games. Although they won only four games their speed and determination were still appreciated by every student and Lincoln follower.

Led by Captain Don West this squad earned the respect of every team in the league. The five starters throughout the most part of the season were Don West, Bob Herring, Bill Squibb, Bob Campbill and Pete Mansfield. The other Lynx stars this season were Howie Hamblin, Gary Keffler, Bob Morgan and Dick Jones.

Starting the season at West Seattle the Railsplitters managed to hold on to a slim lead and edge out an inspired Indian five to win 34-33. From there Lincoln played a very fine game against highly favored Ballard at the Ice Arena, only to lose in the last minute 32-28. The rest of the first round was one heartbreaker after another. The Queen Anne Grizzlies knocked the Abes over next by a 42-33 score. The Garfield game was one in which the lead changed eleven times and then after getting a one point lead and less than a minute to play Garfield dropped in the winning bucket and the Lynx couldn't score. The final score was 38-37. The Franklin Quakers barely won out over the speedy Red and Black when another last quarter rally fell short to take another thriller away from the Abes by the score of 45-42. The most dramatic game of the whole season was played against the front running Teds of Roosevelt. After being way behind in the first half, the Lynx came back with a 43-42 lead at the end of the third quarter, only to drop the last stanza and lose, 54-52.

The Indians were easily taken by Lincoln in the second round as the Lynx finally gained their second win. Due to three starters fouling out in the middle of the second half the Beavers romped home with a 58-42 victory. Jumping back from defeat the Lynx upset the Kuays 50-46. Winning their second game in a row the Abes bowled over Garfield 44-28. The Green Wave caught the Lynx again, this time 46-41. With the finest display of school spirit, the Abes kept on even terms with the Roughriders until the second half. The Teds then took a 38-34 decision ending one of the most exciting and hard luck seasons in Lincoln's history.

This squad will be remembered for their fine sportsmanship in losing games which is just as important as winning.

SECOND TEAM BASKETBALL

The Lincoln second team, coached by Norm Dalthorp and Jay Dishnow finished their season in fourth place with a record of seven wins and five losses. Outstanding in the scoring department for the Lynx were Alan Cameron, Doug Houk, Bill Gustafson, Boyd Givan, and Dick Jones. These players along with the returning varsity lettermen will comprise next year's varsity squad.

THIRD TEAM BASKETBALL

A fine hustling ballclub was this year's third team who completed their twelve game season with a record of ten wins and two losses. Under the fine coaching of Jay Dishnow, this comparatively small team tied the Garfield third stringers for first place. The most stalwart players were Danny Robinson, Jim Hansen, Bob Romstead and Ron McAllister.

1951 Varsity Baseball

The 1951 edition of the Lincoln baseball Lynx finished their campaign in third place, after being nosed out in a playoff game with Garfield for the second slot.

Starting out the year with a five letterman team, the Lynx dropped the first game to the league champions-to-be West Seattle Indians. The team then settled down and won six straight games, the most notable of which were a 16 - 3 victory over the Queen Anne aggregation, and Paul Farrar's nine inning no hitter against the strong hitting Indian nine. This was probably the best pitching effort turned in by any hurler in the league all season. In the remainder of the season the Railsplitters dropped out of their first place position by winning only two games while losing three contests. This left Lincoln with a record of eight wins and four losses, good for a second place tie at the end of the season. In the playoff game with the Bulldogs, the Lynx batters suddenly went blind, and helped Cal Humphries to a new league strike out record by obligingly whiffing eighteen times in the game.

Keith Peterson was voted the Inspirational Award winner by his teammates after the season's end. Other honors reaped by the Lincoln batsmen were All City positions by Paul Farrar, pitcher, and Jack Hardman, second base. Second team All City mention was gained by outfielders Jim Smith and Keith Peterson. Smith led the league in batting with an average of .385.

The second place 1951 Baseball team left behind them five lettermen which formed the nucleus of this year's squad. These lettermen are infielders Don West, Bill Squibb, Howie Hamblin, and Bob Herring and All-City outfielder, Jim Smith. Up from the second team were Doug Hauk, outfielder, Bruce Kennedy, first baseman, Jack Murphy, Garrett Thompson and Gary Sedlak, Pitchers. Coach Bill Nollan had a big job finding someone to fill the shoes of All-City pitcher Paul Farrar and the hustling catcher Bob Davis.

The spirit and determination that the team displayed will long be remembered at Lincoln.

Rod Hilderman; Dick Jones; Dale Rothland; Jim Clark; Bob Ganzini; Ron Williamson; Jim Welch; Gary Lund; Howard Christianson; Darold Bieber; Marsh McCurdy.

Varsity Track Aspirants

Coach Nixon held high hopes for the 1952 Track team as eight lettermen returned from last year's fourth place team. The returning lettermen were Bob Canzini running the hurdles, Jim Clark, sprint man, Keith Randall and Jim Welch, shot putters, Terry Stone, the 440, Gordy Lawrence running the 880, Dale Rothlind, a distance runner and Darrell Dido, broad jumper.

The strong points of the Lynx Cindermen appear to be in the sprints, the distance and the shot, while the high jump and the pole vault need some strengthening.

An over-all picture of the Lincoln thin-clads showed them to be in good condition for the '52 track season.

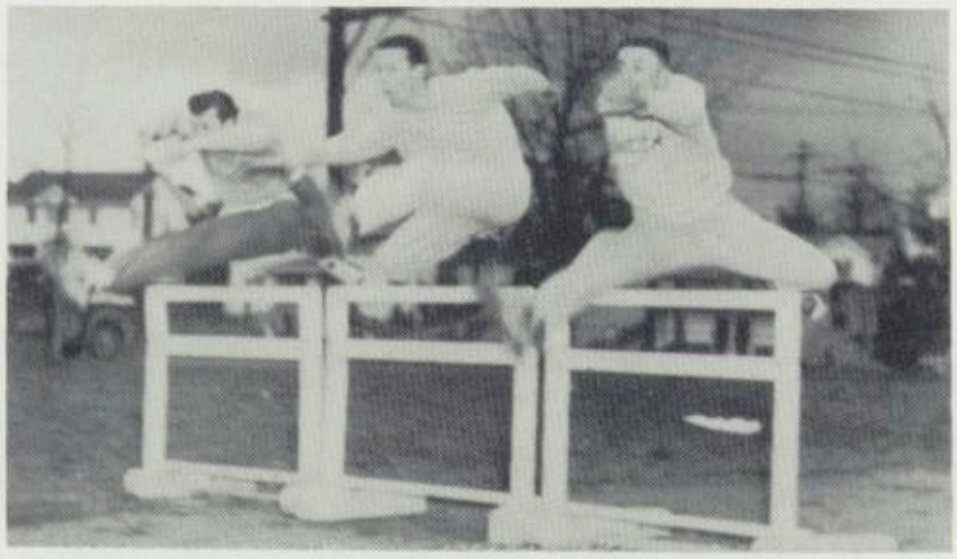
ROW 4: Gary Lund; Kieth Randall; Al Starkenberg; Dick Thompson; Larry Dalzell; Chuck Kennedy; Harlen Laymen.

1952 Track



At the beginning of the Track season Coach Nixon's outlook on the Sophomore Track team was bright.

With Tom Tucker running the 100 and 220, Gary Lund and Jerry Rasmusson running the 880, Gary Jacobson and Dick Jones the 440, Jones was also a high jumper, and Al Starkenburg the only short putter on the squad. They appeared to be in contention for the Sophomore Track championship.

Golf 1952

Returning from last years third place, this years golf squad was led by two returning lettermen and coached by Leslie W. Johnson. Leading the squad was three year veteran Herb Magnisson, and Dick Masterson. The outlook for the season was bright with many prospects fighting for positions to finish rounding out the squad.

We congratulate a great team for their fine work and the best of coaches Mr. Johnson for his advisoryship.

Tennis 1952

With a team featuring three returning lettermen, the '52 Tennis squad was recognized as a title contender for the City Championship being defended by Roosevelt's powerful '51 club.

The Lynx rackeeers lost four lettermen through graduation after last season's fourth place finish, but Coach Starr Sutherland's team was a well balanced outfit. Balance in ennis is extremely important, since the number eight man is just as important as the number one.

GIRLS' ATHLETICS

Lincoln's teams participated in the Seattle Centennial Exposition this year. The volley intramural team and the outstanding volley ball class selected by Miss Moeser, represented Lincoln. Captains of the volley tennis teams were Jackie Miller, Toni Meicho, Beverly Sands and Charlotte Dowman. Anna Burke, ranking 17th in the nations junior bowling league and first in the seattle leadue, kept our bowling team in the spotlight. Basketball enthusiasts turned out under the leadership of Ann Brown, Gerry Cain, Charlotte Dowman and Penny Milan. With the arrival of spring, other girls enthusiastically turned-out at Lower Woodlawn for softball. 'Fish-flaps' and 'Side and back rolls' caused groans and dislocated joints to members of the fifth period tumbling classes. Eileen Plesko and Jackie Miller won both the singles and doubles championships in the badminton tournament, while Adrienne Engle and Ann Brown won second places. A year-round gym class in golf was coached by Mr. Nollan. The girls were taught the fundamental rules and strokes of the game. Later in the spring they practiced on the turf at Lower Woodlawn.

Early in September, annual staff members, selected by Mr. Pritchard, began work. Lincoln was represented at the Annual Conference at the University of Washington by three members. Pictures for the cover were selected and the artists began work after visiting many photograph studios. Along with the other high schools, the staff set up a booth at the Centennial Celebration held in the Civic Auditorium.

Meanwhile pictures were taken of the students and classified. Senior Questionnaires were given out to all seniors. Copy writing was well under way. In March, section editors feverously worked to meet their deadlines. This over, the staff settled down for a hard-earned rest and waited anxiously for the day of distribution of the annuals.

After all the excitement and rush to meet the Friday deadline was over, all of the Totem staff readily agreed that they'd had a lot of fun along with all the worries of Totem issues. They kept the students well informed on school activities and campaigns and also gave them the ''scoop'' on future events.

Ron Cettie, Donna Miller, and Bud Holmquist, as ad managers, kept the paper financially supported while Caroline Barnum, Audrey Ward and Kathy Anderson recorded all business transactions.

A daily Totem was displayed in the main hall showcase and was written and edited by reporters just starting in the journ. 2 class. Mr. Earle Jones was advisor and instructor.

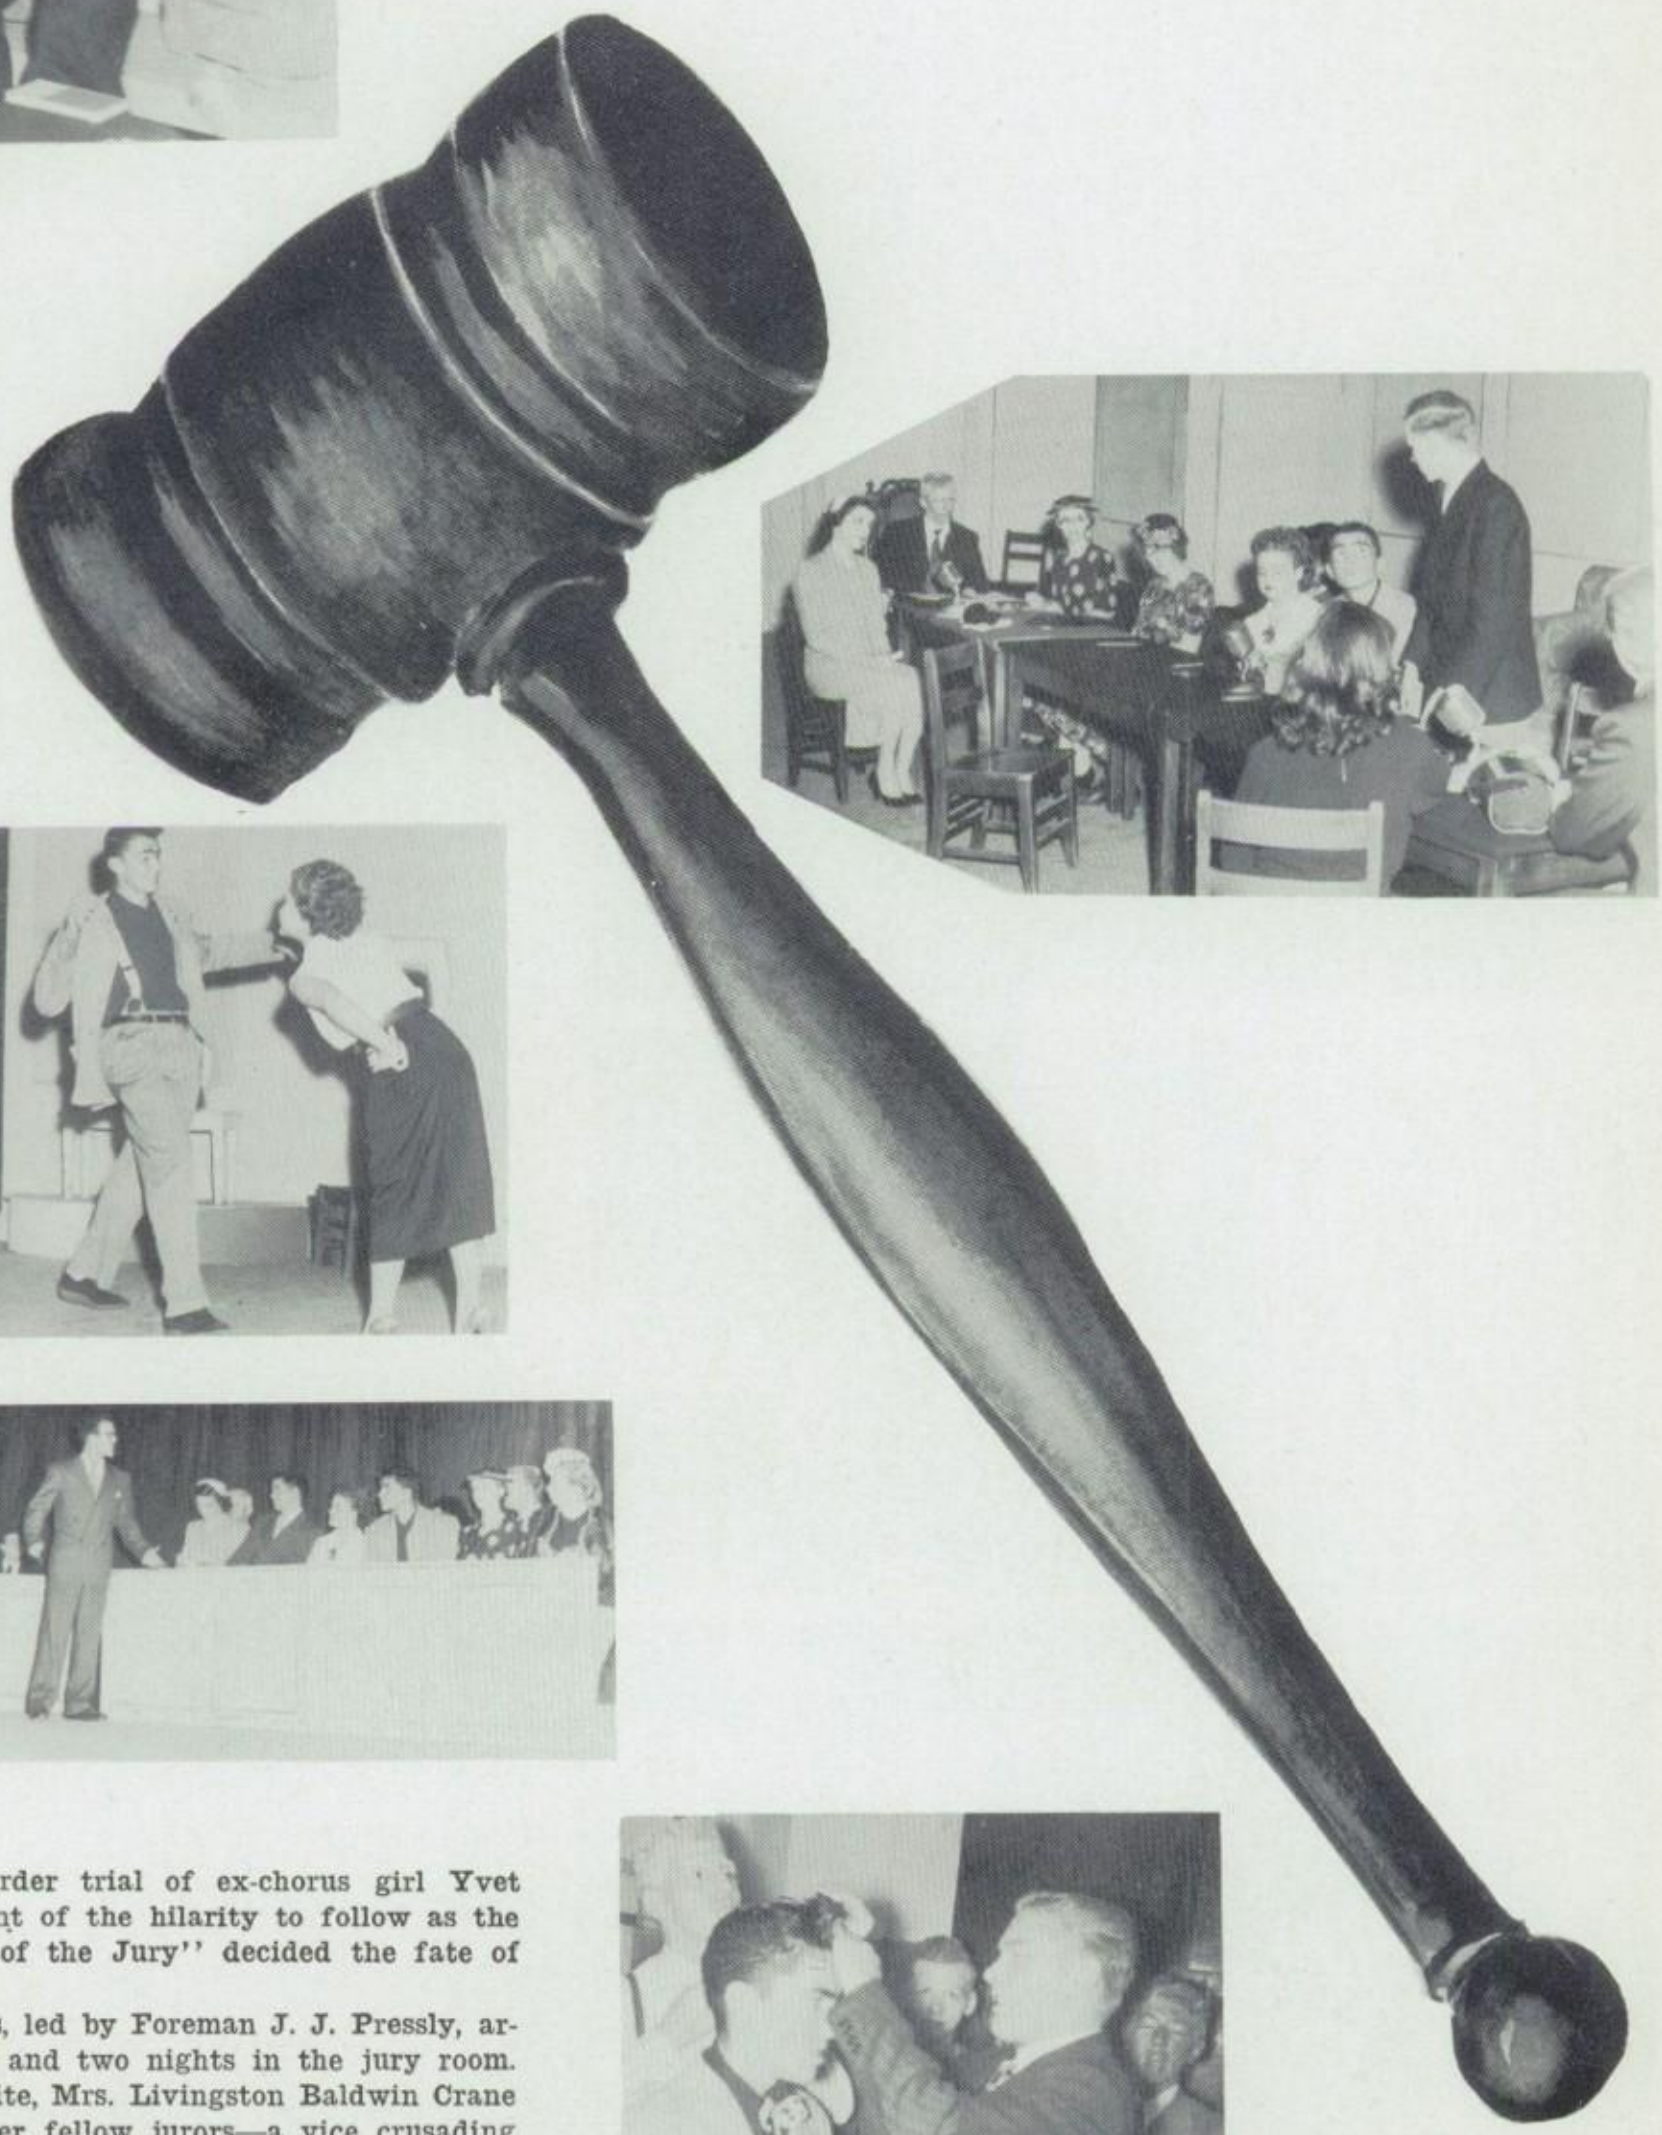
The annual Talent Show presented in February took the form of an old time vaudville show. The performance had two showings, both to full houses, and the most popular acts were taken as exchange assemblies to junior and senior high schools throughout the city.

Ladies of the Jury



The first-act murder trial of ex-chorus girl Yvet Gordon gave no hint of the hilarity to follow as the jurors of ''Ladies of the Jury'' decided the fate of the accused.

The twelve jurors, led by Foreman J. J. Pressly, argued for two days and two nights in the jury room. How wealthy socialite, Mrs. Livingston Baldwin Crane finally convinced her fellow jurors—a vice crusading spinster, a gardener, a chorine, a newlywed, and others—of Mrs. Gordon's innocence, made the play more than an evening's chucklebait.
